Term 4, Week 2

Dear Parents,

It is a Privilege

As educators and parents, we have the wonderful privilege of watching the children change and grow in their formative years of development. Each child is a unique gift nurtured in our care so that they may become independent, hope-filled adults who can make a positive difference to the lives of others. This reflection is for all who nurture our most precious gift, our children.

The Beatitudes of the Child

Blessed is the child who is believed and challenged.

Blessed is the child who can share problems - unafraid.

Blessed is the child whose school is a haven of happiness.

Blessed is the child to whom life is a book of knowledge.

Blessed is the child who is allowed to pursue curiosity into every worthwhile field of information.

Blessed is the child who has someone who understands that childhood griefs are real and call for understanding and sympathy.

Blessed is the child who is led gently by the hand along the pathway of life by someone who is guide, companion and inspiration.

Blessed is the child whose efforts to achieve have found encouragement.

Blessed is the child who has learned freedom from selfishness through responsibility and cooperation.

Blessed is the school, which sees in the child the hope of the future and dedicates itself to the realisation of that hope.

Mercy Changes the World

'I have come so that they may have life and have it to the full'

John 10:10

This Sunday, we celebrate Mission Sunday. It is a time when we think about those less fortunate than ourselves, particularly overseas and how we can make a difference in their lives. This year for World Mission Day 2017, Pope Francis says "young people are the hope of mission. They seek ways to put themselves at the service of humanity with courage and enthusiasm." Keep an eye on Shine for a 'Mission' initiative for the whole school facilitated by Year 5 as part of their project based learning unit that will aim to raise money for those less fortunate.

Thank you for your continued support. It is in partnership that we can achieve great things for our children.

St Angela's, Castle Hill Celebrates Grandparents' Day Next Friday 27th October Commencing at 8:45am

St Angela's School Community invites all grandparents to join us for a celebration of joy and thanksgiving to honour the gift of grandparents to our children. We hope that this day will continue to strengthen the bonds grandparents have with their grandchildren and nurture the unique tradition that we share in each family.

Program outline:

- ☼ 8:45am Morning assembly/Prayer of thanksgiving for our grandparents
- ☼ Classroom visits to join in learning activities with the children
- ☼ Morning tea in the St Maximilian school hall

This is a wonderful event and is a highlight of our calendar for all grandparents who enjoy visiting the school.

As a large number of visitors are anticipated we ask that you bring in a plate to share for morning tea if you have a grandparent attending. Your contribution can be left in the hall on Thursday afternoon, 26th October or the morning of Friday 27th October.

Morning tea/catering arrangements: The morning tea will be in the hall and we kindly ask families to assist with the catering. It would be appreciated if goodies are provided on disposable plates and ready to serve (nut free please). To ensure a balance of food items -

- ▲ all yellow classes (K, 1, 2, 3, 4, 5 & 6) are kindly asked to bring cakes, scones or pikelets;
- ▲ all blue classes (K, 1, 2, 3, 4, 5 & 6) are kindly asked to bring slices or biscuits;
- ▲ all green classes (K, 1, 2, 3, 4, 5 & 6) are kindly asked to bring sandwiches, savouries, dips or cheese & biscuits.

Families with more than one child at school are only required to provide one plate of whichever category they would like to choose. Although we have lots of seating, any additional fold up chairs etc. would be beneficial as we are certainly expecting a large number of visitors. ***If you are able to assist in setting up, serving or packing up, please contact the office or volunteer on the day.***

Parking

To assist with our elderly visitors, the Kiss and Drop may also be used for grandparents to be dropped off. Additionally all car parking at the front of the school and around the hall will be made available for elderly who have restricted mobility etc. (ie. disabled parking).

Religious Education

Sunday, 22 Oct 2017: Twenty-ninth Sunday in Ordinary Time - Year A

Gospel Mt 22:15-21

Render to Caesar what is Caesar's

The frequency with which we consider the question of insider-outsider is an indication of how important the breaking down of boundaries is within our religious tradition. All peoples, all lands are called on to praise God. Human beings have always realised that, in comparison with the grandeur and expansiveness of the universe within which they live, they are weak and vulnerable creatures. Praise of God has always been an expression of awe and gratitude as well as humility.

If neither gender, nor race, nor age, nor class nor culture qualifies one for being an insider, what does? Today's readings suggest that it is service of others. In breaking down the walls of prejudice, the social activists of our own age liberate not only the oppressed groups to which they belong, but also those who oppress them. The lives of these dynamic people show us that service of others draws them into our circles and encircles us in theirs. With open arms God invites all into an embrace of divine love. As God has embraced us, so we are called to embrace all others.

Q. What are some of the 'obligations' of society that 'get in the way' of giving to God what belongs to God?

Q. In what ways can you better give to God what belongs to God?

Special Invitation to all at St Angela's Parish Family Mass Sunday 29th October 11am

On Sunday 29th October, Year 4 students at St Angela's are invited to take a leading role at the 11am Our Lady Of The Rosary Parish Mass. The Year 4 students will be reading the Sunday readings and the Universal Prayer, assisting with the Offertory, greeting families and altar serving. We warmly welcome and invite all families of St Angela's to attend this special parish Mass supporting our Year 4 students and sharing in the prayer life of our wider parish family. Year 4 hope to see many of you there.

A note went home this week inviting Year 4 students to participate in this special Mass. Students who would like to be involved are invited to complete the note with their parents and return it to school addressed to Mrs Yager.

St Patrick's Cathedral and Mission Mass

By Alexander Palmer, Annika Benning and Madlen Gunasekera

Last Friday, the Year 5 Class Representatives had the privilege to travel with the 2017 school captains, Bella Shepherd and Joel Woodhead, Mrs Yager and Mr Calabria to St Patrick's Cathedral, Parramatta. We attended a special Mission Mass and visited mission stalls set up by schools in the Parramatta Diocese.

Fr. Chris De Souza told us that we are all wearing God's uniform of love, no matter who we are. Some people wear fake uniforms over the top of God's uniform of love, pretending to be someone that they're not. We need to always be ourselves not someone that we're not.

The stalls that the children set up in the cathedral courtyard told the stories of those in need. We enjoyed seeing the different ideas and the creativity. Some of the schools ran a café to raise money, others had 360 degree vision goggles showing a classroom from a different country that is less fortunate than us. Another school made little dresses out of pillow-cases. We were very inspired to begin our own Mission initiatives.

SCHOOL STUDENT TRANSPORT SCHEME APPLICATIONS

We have been advised by Transport for NSW that students entering Year 3 are no longer required to reapply for an Opal Card as the system now automatically validates a student's ongoing eligibility if they remain at the same school. Cards for 2018 will be posted to the address nominated on your original application and will be received a week or two prior to the commencement of the 2018 school year. Further information can be found by visiting <http://www.transport.nsw.gov.au>.

Important Allergy Information

At St Angela's we have a number of children who have severe allergies to nuts. While allergic reactions are common and most are not serious, for some people the reaction can be life-threatening. This is called anaphylaxis and can occur in minutes of an exposure to a trigger, in these children's case, nuts.

We see prevention as a major part of providing a safe environment for these children. So as to support our community's effort in this regard, parents are requested not to send nuts or foods containing nuts to school with their children.

The following list gives examples of such foods.

- Peanuts, hazelnuts, almonds, cashews, macadamia nuts
- Peanut butter
- Nutella
- Biscuits and cakes containing nuts
- Snack packs containing nuts
- Chocolate bars containing nuts eg Picnics, Mars Bars (almond), Nut Breaks and Fruit and Nut chocolates
- Marzipan and nougat
- Breakfast cereals containing nuts eg Crunchy Nut/Honey Nut Cornflakes, Muesli, Nutrigrain
- Muesli Bars and snack bars containing nuts
- Yoghurt and nut mixer packs
- Confectionery items such as Lolly Gobble Bliss Bombs and Rocky Road
- Uncle Toby's yoghurt muesli bars

We realise that there may be trace elements of nuts in a variety of other foods. However, if you use the above list as a guide you will be doing your part. Parents can also reinforce with their children that sharing food is not allowed at St Angela's.

If you have any concerns or questions please contact the school. Thank you for your support and understanding in helping us cater to the health needs of all of our children.

Birthday Treats

Celebrating a birthday is something all children look forward to! If your child wishes to bring a treat to school to share with their friends (**purely optional**), we kindly ask that you send in cupcakes or donuts. Cupcakes or donuts are preferred as they are easy to hand out and are a treat that all children enjoy. Due to a multitude of allergies present, we ask that you do not send lollies, chocolates or other treats in. Similarly at Easter or Christmas, we ask that you do not send in lollies, chocolates or candy canes. Please note, although a lovely idea, ice blocks are not practical as we have limited freezer space.

If your child has allergies, you are welcome to send some cakes in for your child, which we will be kept in the freezer in the staffroom and given out as necessary.

Thank you for supporting us as we endeavour to keep all children safe and happy!

Change of School for 2018

To estimate enrolments for 2018, it would be appreciated if the school could be notified in writing of any children who may be leaving St Angela's at the end of the year from grades other than Year 6.

Thank you.
