Term 3, Week 9

Dear Parents,

"Life is better when you are golfing".

What a beautiful day for a game of golf. We were blessed with perfect weather on Monday as over 80 of our parents/friends gathered to enjoy the company of each other in a game of golf at Stonecutters Ridge Golf Course. The new 2018 venue was just beautiful and extremely popular with everyone. The day was outstanding, as was the breakfast, the course, the lunch, the company, the laughs and the standard of play.

Thank you to all our sponsors for the day. Your generosity is very much appreciated. Please see information acknowledging and promoting our sponsors for the day coming home soon.

Our sincere appreciation and thanks to the dedicated Fun(d) raising Committee and helpers of Wayne Davie, Antonella Tesoriero, Joyce Bautista, Donna Collins, Cecile Fitzsimons, Alli Holmes, Erin Kennedy, Alenka Kneviit, Louise Laird, Nicole Love, Di McGaulley, Jillian Metcalfe, Bec Nati, Di Norris, Donna Ortlepp, Toni Phelan, Jenni Rodgers, Jenny Tallaradi and Estela Singh. We are indeed appreciative of their efforts and the meticulous organisational skills that saw our annual golf day being once again a huge success. St Angela's is certainly the place to be. Events such as these certainly show our strong school spirit and, in turn, help further build community and raise funds to provide the best for our children. We have an extremely generous community at St Angela's and beyond, into our local community, due to its outstanding reputation for providing quality Catholic education.

Thank you for your continued support. It is in partnership that we can achieve great things for our children.

Helping make a difference in the lives of those less fortunate

The Bohol Community loved our last venture where we donated pencils, etc. to the Baclayon Elementary School.

We would now like to support the Bohol Orphanage with a

Bohol Philippines Sports Mufti Day
Wear your sports mufti on Friday September 21st
'Gold or fold donation'.

All proceeds go to the Bohol Orphanage.

Theme for the week:

"Understanding, Tolerance and Inclusion"

We live in a diverse society, one where there are differences between people. This applies to gender, people with physical and intellectual disabilities, and other differences. One of the greatest challenges posed by a diverse society is how very different people can live together. One solution for the tensions that differences can bring is tolerance. Tolerance means being prepared to live with and accepting differences.

Next Cyber Installment - 'Instagram' and 'Snapchat'.

Following on from our Cyber Safety talk with Constable Rob Paterson see coming home via email soon, the next two installments of valuable information sheets (Instagram and Snapchat), to assist parents in ensuring safe and responsible use of technology. All information presented can also be viewed on the <https://esafety.gov.au/> website. It is certainly worth a few minutes of your time.

Religious Education

Sunday, 23 Sep 2018: Twenty-fifth Sunday in Ordinary Time - Year B

Gospel Mk 9:30-37

The Son of Man will be delivered into the hands of humanity ... All who wish to be first must make themselves the servants of all.

After leaving the mountain Jesus and his disciples made their way through Galilee; and he did not want anyone to know, because he was instructing his disciples; he was telling them, 'The Son of Man will be delivered into the hands of men; they will put him to death; and three days after he has been put to death he will rise again.' But they did not understand what he said and were afraid to ask him.

They came to Capernaum, and when he was in the house he asked them, 'What were you arguing about on the road?' They said nothing because they had been arguing which of them was the greatest. So he sat down, called the Twelve to him and said, 'If anyone wants to be first, he must make himself last of all and servant of all.' He then took a little child, set him in front of them, put his arms around him, and said to them, 'Anyone who welcomes one of these little children in my name, welcomes me; and anyone who welcomes me welcomes not me but the one who sent me.'

Q. What are the attributes of being 'first' in our contemporary society?

Q. How is it possible to be first by making yourself last of all?

Q. Who do you need to be more welcoming toward?

On Wednesday, our school community gathered to celebrate 'God Gave A Voice' with a liturgy presented by Year 5. Jesus used stories to promote peace and joy in the world and like Him we can use our voice to speak out on behalf of the vulnerable in our society. Every student in Year 5 wrote a powerful speech which contained a positive message on a topic of their choice, which was presented to groups of students across years K - 6.

On Friday, 28th September the staff will gather for a day of prayer and reflection led by Sr. Rosie Drum. It will be a wonderful opportunity to enrich our own faith and in turn the faith of our students.

Inter School Debating Competition 2018

A sincere thank you to our debating co-ordinators, Mrs Kelly, Ms Lewis-Driver and Mrs Ogilvie, who have facilitated 'debating' for our students. The opportunity to experience debating is a great lead up to secondary school where they may wish to join a debating team.

Our St Angela's debating team will gather at Christ the King, North Rocks, this Monday for end of season presentations.

Thank You ...

We are indeed blessed to have a large bank of relief staff who are fully up to date with contemporary practices, know St Angela's procedures and, most importantly, know the children. As teachers also battle against the cold and flu season, we are extremely grateful to these capable educators who continue the classroom program and work closely with their grade partners.

Term 4, Week 4

Children's Workbooks Coming Home HSIE/Science and other KLAs

As outlined in Shine, the children will bring home their Integrated Unit workbooks. We encourage you to talk to your child about their exciting learnings this term. What new skills have they learnt? What new ideas/information did they find out about? The children are extremely proud of their work and even more so to read a comment.

Summer Uniform

Given our warmer weather, children may wear their summer uniform at the discretion of parents. We would expect that all the children are in their summer uniform by the first day of next term, Monday 15th October.

**Staff Development/Pupil Free Day
Friday 28th September**
**Staff will gather for a day of Spirituality and
Religious Education**
**Last day of Term 3 for the children is
Thursday 27th September**

Are you missing something?

We encourage our children to be responsible for their clothes and belongings. However, occasionally these are misplaced/left behind. If each item has the child's name clearly marked it can be returned to the correct owner. **All unlabelled items will be disposed of at the end of each week.** The 'lost property' basket is found near the stage under the Big Top.

What's been happening at St Angela's!

Kindergarten Excursion

Last Friday, Kindergarten spent the day as farmers at the Calmsley Hill City Farm. The day was packed with lots of exciting activities like a tractor ride, milking a cow, playing with lambs and goats in the nursery and a whip show. A big thank you to the parents who accompanied us on the day, Mrs Araneda, Mr Collett, Mrs Genio, Mr Hackett, Mrs Kenny, Mrs Millalongo, Mrs Raad, Mrs Reilly and Mrs Vujnovich.

Year 3 School Based Design and Make Challenge

Year 3 were challenged with the task of designing and making packaging for Christmas baubles and biscuits that would allow these items to be safely stored and transported across the country.

On Tuesday, all of the Year 3 students constructed their package according to their brief. It was a successful day with students using their artistic flare and knowledge gained from the term to create an amazing package for their product.

Author Tim Harris Visits Years 3 and 4

Last Thursday, children in Years 3 and 4 enjoyed a creative, entertaining and inspiring presentation by author Tim Harris.

"I enjoyed listening to his history about his teaching and how he includes them in his writing." Chelsea (3B)

"Tim was very creative and taught us how important planning is. He was very funny and St. Angela's is very lucky to have Tim visit." Hailey (4B)

"Today I learnt that in the process of writing a book you can find your ideas all around you. Tim Harris is a great author, he taught us if you put your mind to it and think...WHAT IF...you can write an amazing book." Camryn (4G)

Year 5 Project Based Learning 'God Gave Us A Voice'

This term, Year 5 students have been working on an individual Project Based Learning task to answer the following driving questions:

How can we use the power of voice as modern day Disciples of Christ, to convey the message of truth, justice and peace in our world?

Like Jesus used parables, how can we create a social conscience for a need in our world today?

Students analysed incredible and inspirational speeches from both children and adults. They then worked hard to research a topic of their choice to create and deliver a powerful and persuasive speech. Each student had the opportunity to present to small groups as well as their class and teacher in order to receive feedback to enhance their public speaking skills.

This culminated in a liturgy on Wednesday to celebrate how 'God Gave Us A Voice'. We are extremely proud of the speeches the Year 5 students have presented this week. They have inspired us all to go out and make a difference in our world!

Year 6 Design and Make Day

Last Friday, Year 6 students spent time on an independent design and make task directly linked to their PBL Science and Technology unit, 'Earth's Place in Space'. A major portion of the unit incorporated Project Based Learning. All students were faced with the following driving question: **How can we, as educational product designers, create a tool that will educate children, aged between 5 and 7, on an aspect of space?** This question has led to a range of product designs, including board games, websites, iMovies, dioramas, puzzles and books to name a few. The children are almost ready to launch their products and look forward to having their parents and K-1 students visit their displays in the Hall next Tuesday afternoon from 1:45 - 2:30pm. All welcome.
