Term 3, Week 10

Dear Parents,

## 'Zootopia'

Our open air cinema night last Friday was a huge success. The large crowd present enjoyed the fun movie, pizzas, gelato and coffee. The children thought it was just 'the best!' Once again, our appreciation and thanks to our Fun(d)raising committee for their tireless efforts in coordinating events for the children and adults.

Mark the date for the next event in Term 4, which will be a casual Christmas social gathering of St Angela's parents at Castle Hill RSL on Thursday 1st December at 7:00pm. Drop in for a refreshment and/or stay for a meal from the bistro.

## Thank You

I would like to thank Mrs Newman, who has fulfilled the role of Acting Religious Education Coordinator so capably and efficiently during Term 3. Her faith, expertise and beautiful nature are testimony to the type of Catholic educator that she is. We are blessed to have her as part of our St Angela's team.

As communicated to parents via email, we congratulate and welcome Mrs Yager to the role for Term 4 and beyond.

Thank you also to Mrs Rubelj, Mrs Lean, Mrs Szady, Mrs Javidi, Mrs Newbury and Mrs Simpson who, during Term 3, have undertaken acting roles of responsibility due to teachers on entitled long service leave. We are indeed fortunate to have such a depth of leadership and expertise within our community.

## What a Great Term!

It is hard to believe that Term 3 concludes today. I would like to thank our outstanding St Angela's community of children, parents, priests and staff for making every school day an opportunity to 'Let Your Light Shine' and a place where faith, fun and learning take place every day. I wish to also thank the many people who give so generously of their time and so much more, all for the children, knowing that it is in giving that they truly receive. To the dedicated staff of St Angela's who, together with you, provide an outstanding level of Catholic education and care for the children, we say thank you for a wonderful Term 3. I look forward to Term 4. Take care over the holiday period. I encourage you to take time out with your family to enjoy and appreciate each other. There is never a better time than right now to spend time with those you love.

*Thank you for your continued support. It is in partnership that we can achieve great things for our children.*

*Tony Calabria  
Principal*

## Religious Education

*Sunday 25th Sep 2016: Twenty-sixth Sunday in Ordinary Time - Year C*

**Luke 16:19-31**

The parable of the Rich Man and Lazarus from Luke's Gospel this week asks us to reflect on the phrase "What we do to others we do to God." Jesus is trying to tell us in this parable that indifference to those in need and who are suffering is what we need to avoid. He observed that the actions of some Pharisees betrayed misplaced priorities: they spoke one way, but acted in another. The story of the rich man and Lazarus demonstrates the importance of the care of the poor and is a reminder to those who would follow Jesus of the unimportance of wealth in the eyes of God. The rich man is not condemned for being rich; we are not told that he is notably wicked or vicious in any other way. Instead he is condemned because he did not show charity to a poor man called Lazarus. The focus falls upon the single point that, absorbed in his comfortable life, he simply does not notice the poor beggar lying in such need at his door.

*Some questions to reflect upon:*

How relevant is this story for today?

What action can you commit to that would make a difference in someone else's life?

### **Thursday 13<sup>th</sup> October 2016- Year of Mercy- Mercy Cross and relics**

The Way of Mercy is a diocesan-wide initiative of the Pastoral Planning Office in cooperation with the Year of Mercy Committee, centred upon the journey of a large Cross of Mercy. A Relic of St Mary of the Cross MacKillop and a Relic of Blessed Teresa of Kolkata accompanies the Cross. St Angela's will host the Mercy Cross and relics on Thursday 13th October (Week 1 Term 4). All parents are invited to join us in this special liturgy at 1.30pm.

*God of mercy, transform me, that my eyes may be merciful, that I may marvel at the beauty of my neighbour's heart.*

*Transform me, O God, that my ears may be merciful, that I may be attentive to those in need.*

*Transform me, O God, that my tongue may be merciful, that all I proclaim is in love and peace.*

*Transform me, O God, that my hands may be merciful, that I use them to serve my neighbour.*

*Transform me, O God, that my feet may be merciful, that my journey leads me to compassion.*

*Transform me, O God, that my heart may be merciful; ever open to the joy of your presence*

*May your mercy, O God, Rest upon me and transform me; Into Yourself, for You are my all.*

*We ask this through Christ, our Lord. Amen*

Mrs Kathryn Newman  
Acting Religious Education Coordinator

### **Parent Representative Meeting**

The parent representative meeting for Term 4 for those who are available will be held in Week 2, Thursday 20th October, at 8:45am in the staffroom. We will be discussing planned activities for Term 4 and future initiatives.

### **'God Gave Us A Voice'**

We all love a good speech. Congratulations to our Year 5 students who so capably presented powerful speeches to our whole school as part of their 'God Gave Us a Voice' unit. Appreciation and thanks to the Year 5 teachers, Mrs Albertini, Mrs Javidi and Miss Joice for co-ordinating this wonderful opportunity for the children to 'let their light shine'.

### **Optional Parish Raffle for Fete**

**Saturday 15th October**

**Tickets and letter from Fr Alejandro were sent home recently**

Our parish is celebrating its 46th year of existence this year and now needs to make much needed renovations to the Church. To this end, we are organising a fete to which we expect approximately 3000 people.

The success of the above event relies on the generosity of the community. We are appealing to you for support in the form of donations of any kind, eg. Vouchers, cash/cheques, discounts, prizes or sponsorships. We will include your donation in either a raffle, an auction or a lucky number draw throughout the day of the fete.

We will also advertise your donation as well as the name of your business throughout the day. We thank you in advance for your contribution.

Another way of assisting our parish is to perhaps volunteer to sell/buy fete raffle tickets on behalf of the Parish to raise funds for the refurbishment of the church. These were sent home last week and are due back by **Wednesday 12th October**. Participation in this raffle is, of course, optional.

**AMUSEMENT RIDES** can be prepaid at the school office by cash or cheque only (payable to Our Lady of the Rosary Parish) for \$25 per person for five hours of unlimited rides. Alternatively, rides can be paid for on the day for a cost of \$30.

If you would like assist with serving at any of the stalls at our fete, including the set up and clean up hours, please do so on the sign-up pages on the Church noticeboard. We are asking for help with food stalls such as canteen, hot chips stall etc. Many thanks.

**RCIA (The Rite of Christian Initiation for Adults)** is a programme for those who may wish to become Catholic. The programme is an introduction to the Catholic faith at the same time giving the opportunity to reflect and discern a desire to join. Please call the parish office on 9629 2595 if you would like to be part of this programme. Classes begin 27 September!

## **St Angela's Writing Festival**

*Please find coming home today on a separate sheet, winners of the 2016 Writing Festival and samples of writing.*

*Our renowned Writing Festival was also featured in the Hills Shire Times this week.*

### Stage 2 Parramatta Diocese Touch Gala Day

Last Friday, St Angela's had 3 teams at the Stage 2 Touch Gala Day. The girls and boys were an absolute pleasure as they represented St Angela's.

The Boys Gold team consisted of Flynn Jamer, John Papadimatos, Kyle Brett, Harry Clarke, Ned Cane, Jarvis Hemmings, Aiden Crowley and Joel Foxe. They went through the day undefeated but unfortunately lost on for and against points, being runners up in their pool. The boys should be proud of the way they played and handled themselves becoming runners up on a countback.

The Boys Green Team consisted of Tom Smales, Riley Hogan, Alex Petras, Lachlan Pilon, Joshua Murphy, Josh McDermott, Thomas Norris and Owen Sereni. The boys played together well and finished 7th in their Pool.

The Girls Team consisted of Charlotte Hogan, Sophie Watson, Caity McNamara, Annika Benning, Keira Murphy, Mia Jacobs, Tahlia Mackay, Claire Moroney, Tiarne Fox and Emily O'Rourke. The girls played with great spirit and even had time to fit in a few cartwheels in between scoring tries. The girls finished 2<sup>nd</sup> in their pool.

Special thanks to Jordy Jamer, Mario Petras (and "the mums") and Glenn Mackay who were fantastic coaching the teams and giving up their time to do so. Thank you also to Daniel Griffin, Jack Griffin, and Adrian Sciglitano who were very confident referees.

Finally, thank you to the parents for your support transporting the children to the ground and cheering the boys and girls.

### Mackillop Athletics Championships 2016

On Monday, 14 St Angela's students competed in the MacKillop Athletics Championships. The girls and boys should be really proud of such an achievement to compete at such a high level. The results were as follows:

Junior Girls Relay 9th - Pip Gattini, Keira Murphy, Alannah Bridge and Ariella Colosimo)

Senior Boys Relay 4th - Jayson Orley, Joseph McEneaney, Kyle Morley and Michael Taouk

Sarah Crowley - 10<sup>th</sup> 800m

Keira Murphy - 7<sup>th</sup> 800m

Pip Gattini - 8<sup>th</sup> 200m

Kaitlyn Langridge - 4<sup>th</sup> Discus and 7<sup>th</sup> Shot put

Samuel Langridge - 16th High Jump

Daniel Lipton - 5<sup>th</sup> AWD Shot put

Emily O'Rourke - 15th High Jump

Congratulations on a fantastic Athletics season.

## Year 6 Educational Space Product Launch Day

This term Year 6 have been working on a term long Personal Learning Project about Space. This was a part of our Science and Technology unit, "Earth's Place in Space". The aim of this fun science project was to design and produce an educational and fun product that would educate children between the ages of 5 and 7 to help them learn about the wonders of space. Students from Years 3, 4 and 5, parents, teachers, Mr Calabria and Mrs Fitzalan gathered in the hall to see all our hard work pay off at our product launch showcase. We can assure you, they were all blown away by the work we produced. Some people loved our products so much they actually wanted to buy them!!

We had many amazing and informative products ranging from a soccer ball with space facts on it, interesting websites, really fun board games that kept you guessing, models of the Solar System, challenging puzzles, educational books and even a Telescope! This was a new and useful learning experience for Year 6 and we loved every minute of it.

## St Angela's Golf Day

Thank you for your positive feedback of the day:

*"Congratulations on an amazing first golf day!!"*

*The whole event was run to perfection, from the breakfast and goody bags to the buffet lunch and amazing prizes.*

*Our team loved the day and we were so lucky to meet such beautiful, fun people as the day went on. Many of whom I'm sure we will see there again next year.*

*Thank you to the organising committee for covering every detail and making the day so pleasurable for us golfers.*

*Can't wait for next year!!"*

\*\*\*\*\*

*"Just had to thank everyone involved again for a magnificent day at the inaugural St Angela's golf day last Friday. Although golf and I have never had a close relationship, I have never enjoyed losing golf balls as much as I did last week.*

*The atmosphere was brilliant, which I believe was the direct result of all the hard work the fundraising committee put in organising the event. Very happy to have been part of the first event and certainly can't wait till the golf day next year."*
